WOMEN'S VETERANS HOUSING

Support Women Veterans Today!

They Stood for Us. Now They Need a Home.

Across the United States, more than 5% of the homeless once wore our nation's uniform. In Pennsylvania, women veterans face limited options for safe, stable housing.

Without your support, women who served risk sleeping in cars, shelters, or unsafe situations instead of having a home base.

About United Veterans Services

United Veterans Services, Inc. (UVS) is a nonprofit corporation working to **end homelessness among women veterans.**

UVS is purchasing and renovating a three-unit triplex in Bristol, PA, offering up to 24 months of safe housing while connecting residents with job training, resources, and VA partners to support long-term stability.

Will You Stand for Women Vets?

Your gift can help a woman veteran move from the edge of homelessness into a safe, stable home. Our goal is to raise \$650,000 to purchase and renovate a Bristol triplex for women vets. **Will you help us?**

Please visit WomensVeteransHousing.org today to make your donation and stand with those who once stood for all of us.

Your Business Can Help Too!

UVS invites local businesses to stand with women veterans by sponsoring our first transitional housing project in Bristol. **Your company's donation can help vets while also promoting your business.**
